1 Structure of this Agreement

This Agreement sets out the terms on which the Consultant shall provide services to the Client. The particular services, deliverables and fees for each engagement shall be recorded in a Statement of Work executed by both parties and incorporating this Agreement by reference.

Where a Statement of Work conflicts with this Agreement, this Agreement shall prevail unless the Statement of Work expressly states otherwise and is signed by an authorised representative of each party.

2 The Services

The Consultant shall perform the Services with the reasonable skill and care to be expected of a competent professional consultant experienced in work of a similar nature, and shall ensure that the Deliverables conform in all material respects to the specifications recorded in the relevant Statement of Work.

3 Client obligations

The Client shall provide the Consultant with such access to its premises, systems, personnel and information as the Consultant reasonably requires in order to perform the Services, and shall designate a single point of contact for each Statement of Work.

4.1 Term

This Agreement commences on 17 February 2026 and shall continue for a period of twenty-four (24) months, expiring on 17 February 2028, unless terminated earlier in accordance with clause 15.

4.2 Extension

This Agreement does not renew automatically. The Term may be extended only by a written change order signed by both parties and executed before the expiry of the Term.

6.1 Fees

The Client shall pay the Consultant a retainer of S\$18,000 per month, payable on the first business day of each calendar month, together with such additional fees as may be agreed in a Statement of Work.

The retainer covers up to eighty (80) consultant hours per month. Hours worked in excess of that allowance shall be charged at the rates set out in the relevant Statement of Work.

7 Expenses

The Client shall reimburse the Consultant’s reasonable travel and subsistence expenses properly incurred in performing the Services, provided that expenses exceeding five hundred Singapore dollars (S\$500) in aggregate in any month shall require the Client’s prior written approval.

8 Intellectual property

All intellectual property rights in the Deliverables shall vest in the Client on payment in full of the fees relating to them. The Consultant retains all rights in its pre-existing methodologies, tools and know-how, and grants the Client a non-transferable licence to use them to the extent necessary to make use of the Deliverables.

11.1 Exclusions

Nothing in this Agreement shall limit either party's liability for death or personal injury caused by negligence, for fraud or fraudulent misrepresentation, or for any other liability which cannot lawfully be limited or excluded.

11.2 Limitation of liability

Subject to clause 11.1, the total aggregate liability of the Consultant to the Client in respect of all claims

arising under or in connection with this Agreement, whether in contract, tort (including negligence), for breach of statutory duty or otherwise, shall not exceed S\$100,000.

Neither party shall be liable to the other for any loss of profit, loss of anticipated savings, loss of business opportunity or any indirect or consequential loss, in each case whether or not that loss was foreseeable at the date of this Agreement.

15.1 Termination for convenience

The Client may terminate this Agreement, or any individual Statement of Work, by giving the Consultant not less than thirty (30) days' written notice.

15.2 Termination for cause

Either party may terminate this Agreement by written notice where the other party commits a material breach and fails to remedy it within thirty (30) days of written notice requiring it to do so, or immediately where the other party becomes insolvent or has a receiver, judicial manager or liquidator appointed over any of its assets.

INDEMNITY SCHEDULE

This Schedule forms part of the Agreement and is to be read together with it.

12.1 Application of this Schedule

The indemnities set out in this Schedule are given in addition to the Consultant's other obligations under the Agreement and are not intended to restrict any other remedy available to the Client.

12.2 Confidentiality indemnity

The Consultant shall indemnify the Client against all losses, liabilities, costs and expenses reasonably incurred by the Client arising out of any unauthorised disclosure by the Consultant of the Client's confidential information.

12.3 Data protection indemnity

The Consultant shall indemnify the Client against any financial penalty imposed on the Client under the Personal Data Protection Act 2012 to the extent that the penalty arises from the Consultant's failure to comply with its obligations under clause 9 of the Agreement.

12.4 Intellectual property indemnity

The Consultant shall indemnify the Client against all losses, damages, costs and expenses arising out of or in connection with any claim that the Deliverables, or the Client's use of them in accordance with the Agreement, infringe the intellectual property rights of any third party.

The Consultant shall have the right to conduct the defence of any such claim and the Client shall provide reasonable assistance in doing so.
